1. Minor Subdivision with Variances
Block: 3300; Lot: 58
127 East Cedar Street
Application No.2018-7-MSUBV
Garden State Property Management IV, LLC R-3 Zone

Applicant proposes to subdivide Lot 58 to create 2 new lots designated as proposed Lots 58.01 and 58.02 that would be approximately 14,420 square feet and 11,355 square feet in area respectively where 15,000 square feet is required.

On May 1st the Board heard testimony and received evidence on this Application, and by unanimous vote of the Members present approved the Application subject to conditions and a Memorializing Resolution.

Subsequently, and prior to adoption of a Memorializing Resolution, it was determined that there had not been adequate notice of the Application and of the May 1st hearing provided to at least one owner of property within 200 feet of the Lot that was the subject of the Application.

The inadequacy of notice deprived the Board of jurisdiction. Therefore the approval actions taken by the Board on May 1st are null and void.

The Applicant has since given new notice, by publication and by certified mail, and has submitted proof of having mailed notice to the owners of all properties within a radius of 200 feet from the site.

Appearance for the Applicant: Stephen A. Geffner, Esq.
