

# Recycling Made Easy: A Guide for Livingston Residents

LIVINGSTON  
NEW JERSEY

## Plastics, Glass, Cans (No Paper)

Put these out for collection alternate weeks:

### PLASTICS, GLASS BOTTLES, AND CANS

- ✓ Bottles and containers for water, soda, milk, ketchup, shampoo, detergent, bleach
- ✓ Yogurt cups
- ✓ Clean food containers #1 thru #7
- ✓ Milk & Juice Cartons: All types including juice boxes & paper cartons

**Keep it Clean! Rinse off food waste before recycling.**

**GLASS Bottles:** Clear, green, and brown only. Do not recycle light bulbs, mirrors, window glass.

**METAL:** Aluminum or steel cans, lids and caps from food, drinks, pet food, etc. No oil or paint cans.

No need to bag recyclables; just put out in a container.

## Cardboard, Paper

Put these out for collection the other weeks:

### BOXES, CARDBOARD, PAPER, NEWSPAPERS, MAGAZINES, CATALOGS

Remove any plastic or foam packing material from boxes.

Put boxes at the curb flat or nested inside each other.

**Cardboard and Paper:** You can recycle shipping boxes, cardboard, pizza boxes, cereal boxes, bulk mail, office paper, newspapers, magazines, catalogs, brown paper, paperback books, shredded paper (bagged securely in clear plastic).

**Don't include** waxed paper, waxed boxes, stickers, paper towels, tissues, napkins, or shiny paper bags.

**Help our pickup crews:** Place boxes at the curb nested inside each other, so they can be collected quickly.

**So What's Just "Trash?"** Regular Trash includes: Food waste, diapers, bagged pet waste, dishes. You can use food waste to make compost, too.

**FACT: Recycling saves tax dollars!** The Township of Livingston receives revenue from the sale of recyclables. Plus, recycling saves on the per-ton fees we pay for garbage disposal.

Visit the Township's Recycling page at [www.LivingstonNJ.org/Recycling](http://www.LivingstonNJ.org/Recycling) or call Township Hall at 973-992-5000 ext. #5400
