

# *Safe Medication Use*

Hosted by the Livingston Health Department and Senior, Youth & Leisure Services

**Wednesday, June 6, 2018 from 1-2 pm**

**Livingston Senior/Community Center**

**Tahaney Room 1**

**204 Hillside Ave., Livingston, NJ**

Join **Jessica Bente**, Transitions of Care Clinical Pharmacist at Saint Barnabas Medical Center, a licensed pharmacist and a registered immunizer. She received her PharmD from St. John's University in May 2014, after which she pursued a postgraduate year one (PGY-1) pharmacy practice residency at Saint Barnabas Medical Center. As part of the Transitions of Care team, Jessica primarily follows patients with a diagnosis of COPD or pneumonia, who return home upon discharge. Her primary responsibilities include medication reconciliation, medication counseling, follow-up phone calls, and home visits to patients once discharged. Her practice areas of interest are COPD, dyslipidemia, and diabetes management.
