Children must attend a minimum of two complete tryout sessions (see schedule below) and some children may not be asked to return to the next tryout session. Games are played weeknights and Saturdays based on available gym space in the participating communities. Parents are responsible for providing transportation to away games. Independent evaluators are used at the tryouts to make team selections. Travel basketball games are played from mid-December – February. Practices begin in November.

Children selected for Travel Teams **WILL NOT** be able to participate in the In-Town Basketball Program.

TRAVEL BASKETBALL TRYOUTS

In addition this year LHS Boys and Girls staff will assist with tryouts.

(Due to space limitations – only players will be permitted in the gym during tryouts)

Once again this year we have contracted with evaluators from outside the Livingston area who are experienced basketball coaches, trainers and evaluators to make the team selections. Our goal is to conduct a fair and unbiased evaluation-to select the best players from the tryouts for each team. Tryouts are a snap shot in time- the evaluators can only make the selections from what they see during the tryout sessions. There are NO MAKE-UP evaluations. Participants trying out may NOT wear any team jerseys or uniforms from previous years-all participants must wear non-descript tee shirts at all tryout sessions.
