DECLARATION OF APPLICABLE SUBSECTION

All applicants or appellants coming before the Planning Board seeking variance approval shall complete and submit this form as part of the regular application forms. This form shall list the section of the Ordinance section under which the application is made as well as the basic reasons that will be presented in order to obtain the relief sought.

The Planning Board of the Township of Livingston has been established pursuant to the authority of the Municipal Land Use Law of the State of New Jersey (N.J.S.A. 40:55D-1 et seq.). Within the guidelines of that Statute, Boards shall have the power, under certain circumstances, to grant deviations from the requirements of the Livingston Center Redevelopment Plan.

Where (a) by reason of exceptional narrowness, shallowness or shape of a specific piece of property, (b) or by reason of exceptional topographic conditions or physical features uniquely affecting a specific piece of property, (c) or uniquely affecting a specific piece of property the strict application of any area, yard, bulk or design objective or regulation pursuant to this Plan would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon the redeveloper of such property, grant, upon an application or an appeal relating to the property, a deviation from strict application of such regulation so as to relieve such difficulties or hardship; or

Where in an application or appeal relating to a specific piece of property the purposes of the Redevelopment Plan would be advanced by a deviation from the Redevelopment Plan ordinance requirements and benefits of the deviation would substantially out weigh any detriment, grant a deviation to allow departure from any one area, yard bulk or design objective or regulation pursuant to this plan.

The Planning Board shall hear and decide requests for interpretation of the Livingston Center Redevelopment Plan or to interpret and answer any special question relative to said Plan, upon which such board is authorized to pass by any zoning official map ordinance in accordance with this act; and,

No deviation or other relief may be granted under the terms of this section unless such deviation or other relief can be granted without substantial detriment to the public good and will not substantially impair the intent and purpose of the Livingston Center Redevelopment Plan and zoning ordinance. No deviation may be granted which will result in permitting a use that is prohibited within said Plan. Public notice of such application shall be made in accordance with the requirements set forth in N. J. S. A. 40:55D-12a&b.
