PRESENTED BY PAUL WHITE, HISTORIAN

Sponsored by Sunrise of Summit 

The National WWII Museum in New Orleans tells the story of the American experience in the war that changed the world.

Given travel constraints over the last year due to COVID, it has been difficult to visit museums whether they are in your back yard or other cities. Not to worry Paul White a local Red Bank historian will walk you through the WWII Museum in New Orleans...suffice to say this is one of the most amazing museums he has seen. So join Paul on October 6 at 1pm for a museum walk through.
