Livingston Health Department

Free Screening: Hepatitis B and C

Many people with hepatitis B or C do not have any symptoms.
This simple, free blood test can detect your status for hepatitis B and C.

The Livingston Health Department is offering a free screening for hepatitis B and C, provided by Cooperman Barnabas Medical Center, Center for Asian Health.

Free blood pressure screening will also be offered.

➡ Please Note: Appointments are Required ⬅
for the Hepatitis Screening

Tuesday, March 28, 2023

5:00 pm - 7:00 pm

Livingston Senior/Community Center
204 Hillside Ave, Livingston
Lower Level, Rm. Tahaney 1
