

LIVINGSTON FOR ALL AGES

Let's Talk Tremor

Wednesday, Mar 29, 2023, 6 - 8 pm

Livingston Senior/Community Center (LSCC)
204 Hillside Ave.

Presented by Jacqueline Cristini, PA-C, MMSc.
and Paul Gigante, MD

Let's talk tremor! Wondering about tremor and available therapy options? Movement Disorder experts Jacqueline Cristini, PA and Paul Gigante, MD will discuss essential tremor and be on hand to answer your questions. This is a great opportunity to learn and connect with others in the community.

Jacqueline Cristini, PA-C, MMSc.

Jacqueline is a Physician Assistant who specializes in Movement Disorders and Deep Brain Stimulation programming at Cooperman Barnabas

Medical Center. With a focus on comprehensive care for patients with movement disorders, she also puts a strong emphasis on educational community outreach programs. Ms. Cristini has a Bachelor's Degree from Wagner College in Staten Island, NY and received her Physician Assistant Certification from Bayley Seton Hospital in Staten Island, NY and a Master of Medical Science degree from Nova Southeastern University in Fort Lauderdale, FL.

Paul Gigante, MD

Dr. Gigante is a neurosurgeon with over 10 years experience. He graduated from Harvard Medical School and went on to complete his Neurosurgical Residency

and Chief Residency at Columbia University Medical Center/New York Presbyterian Hospital. He then completed fellowship training at Stanford University in functional neurosurgery, focusing on frameless deep brain stimulation for Parkinson's Disease and essential tremor; spinal cord stimulation for chronic pain; and surgical treatments of trigeminal neuralgia. His current practice is with Neurosurgeons of NJ in Livingston.
