Enjoy Fall with a Chinese Tea and Cupcake Tasting

Join Marjorie Wang and Tori Butchin of Bettor Bakes in a curated Chinese tea and cupcake pairing. Learn about the six categories of tea, how tea is incorporated into culture, society, and everyday life in China, and taste the differences with a guided tasting of three teas, thoughtfully paired with custom fall-themed cupcakes.

Tori Butchin

Tori Butchin is a Physical Therapist by day and star baker by night. After making sold-out cookies, brownies, and cupcakes for her friends and family, she started Bettor Bakes to provide custom baked goods for birthdays, weddings, or cookies for the cookie jar at home. She is known for her fudgy buttered brownies, custom candy-loaded cookies, and Marjorie's favorite is her peach cobbler cheesecake.

Marjorie Wang

Marjorie Wang works at a boutique wealth management firm in Livingston. She shares her passion for Chinese Tea through hosting local community events. In 2016, she spent six months apprenticing at premier tea shop, NYC's Tea Drunk and hosted her first tea event at the Millburn Library in 2018. Since then, she has hosted a number of events at the Summit Fortnightly Club, Madison Library and Kemmerer Library in Harding.
