Volunteer Shadow Position

The SYLS Adaptive Recreation Program is seeking volunteers this summer to “shadow” children with special needs at summer camp. All Shadows are required to attend pre-camp training. The Shadow works with the specific needs of the child to help the individual participate more comfortably within the parameters of the camp program.

For more information about the program, please contact Jennifer Quirk, Adaptive Recreation Coordinator, at 973-535-7925 x 403 or jquirk@livingstonnj.org

This program is made possible by a grant from the Department of Children and Families.

Adaptive Recreation Program

Children with a 504 Plan or IEP are eligible to attend camp with a Shadow to help the child participate more comfortably within the parameters of the camp program. If you have questions, please contact Jennifer Quirk, Adaptive Recreation Coordinator, at 973-535-7925 x 403 or jquirk@livingstonnj.org.

Children attending Extended School Year (ESY) will have a half day afternoon option and a full day on Fridays. Transportation from ESY to the camp will be provided Monday—Thursday only.

ESY participants will arrive around 12:30 PM and then transition to the afternoon activities provided at the camp.

Questions, please contact Jennifer Quirk, 973-535-7925 x 403 or
email jquirk@livingstonnj.org

Hello and welcome to both new and returning SYLS Camp families!

What a crazy ride this year has been! We hope that you and your families are all doing well and staying healthy.

Summer Camp is needed more than ever this year, and we have been working tirelessly to create a fun, educational program in a safe environment that everyone can enjoy. For those who have enjoyed summers with us in the past, things will certainly be different again this year. For our new families, thank you for trusting us with your Campers.

We have created a handbook to share both some of our existing guidelines, and our new policies and procedures that relate to COVID-19. Please understand that your Camper's safety and health is always our number one priority.

Sending your child to Camp is a personal choice in a very uncertain time. By following the recommendations of the New Jersey State Dept. of Health, the CDC and the American Camp Association, we are working to keep risk as low as possible.

Please read through the guidelines carefully so that you feel comfortable with our plans and are aware of what we will be asking of everyone this summer.

Although we hope things will change by June and our camp can bring back some of our traditions, we will not know until we get closer. We will follow all guidelines put out by the state. Please understand, there is a possibility some information in this booklet can change, and things can be added! We will keep you posted on any changes.

We look forward to spending time with your Camper this year and for years to come.
