RWJBarnabas
HEALTH

Tuesday

November 27, 2018

7 pm – 8:30 pm

Livingston Public Library
10 Robert H. Harp Drive
Livingston, NJ 07039

Free!

Learn about the risk factors for diabetes and the steps you can take to help prevent the onset of diabetes.

A Free Glucose Screening will be offered.

Join **Jessica Bente**, Transitions of Care Clinical Pharmacist at Saint Barnabas Medical Center, a licensed pharmacist and a registered immunizer. She received her PharmD from St. John's University in May 2014, after which she pursued a postgraduate year one (PGY-1) pharmacy practice residency at Saint Barnabas Medical Center. Her primary responsibilities include medication reconciliation, medication counseling, follow up phone calls, and home visits to patients once discharged. Her practice areas of interest are COPD, dyslipidemia, and diabetes management.

Registration Required:

Please call Jessica or Melissa at 973-535-7961 ext. 227 or 228 to register.
