HEALTH DEPARTMENT

Foot Health 101

Presented
in conjunction with:

ORTHOPEDICS
SUMMIT MEDICAL GROUP

Tuesday

April 23, 2019

1 pm – 2 pm

Livingston Senior/Community Center
204 Hillside Ave., Livingston
Tahaney Room 1

Presenter: Ali El-Saheli, DPM, FACFAS, FASPS, Podiatric Surgeon

We'll discuss simple steps to keep your feet strong and mobile. With proper detection, intervention, and care, most foot and ankle problems can be lessened or prevented. Learn from our expert about preventative care and the latest treatments for common and athletic foot injuries, diabetic foot complications, arthritis, and skin and nail disorders.

Registration Required: Call 973-535-7961 ext. 227 or 228
