ARTICLE XI – Traffic Controls for Construction and Maintenance Operations (§29-36.1 – §29-43)
[Added by Ord. No. 7-1991]

§29-36.1 Preconstruction meeting.

It shall be the responsibility of the person, contractor or public utility wishing to engage in construction on, under or above a roadway situated in the Township of Livingston to contact the Livingston Police Department in order to arrange a preconstruction meeting in order to submit plans for the safe movement of traffic during the period of construction. Any person, contractor or utility who fails to comply with this section prior to the start of this work or whose plans are not approved by the Livingston Police Department shall be in violation of this article.

§29-37 Permit required; fee.

It shall be the responsibility of the person, contractor or utility to obtain a permit from the Livingston Police Department in order to begin construction. The fee for this permit shall be \$50.

§29-38 Emergency contact phone numbers.

The person, contractor or utility shall provide, prior to the start of any work, the Livingston Police Department with at least two emergency contact phone numbers to be called in case of emergency problems at the construction site. If for any reason emergency contacts cannot be reached or if the emergency contact person does not respond to a call from the Police Department to correct a hazardous condition, the Township may correct such hazardous condition. The reasonable fees and costs incurred for emergency services by the Township shall be charged to the person, contractor or utility responsible for such condition.

§29-39 Permitted hours of work.

There shall be no construction or maintenance, operations or utility work on any roadway in the Township of Livingston before the hour of 9:00 a.m. or after 4:00 p.m. unless a special permit is issued by the Livingston Police Department. If it is determined by the officer in charge at the Livingston Police Department that construction or maintenance operations prior to 9:00 a.m. or after 4:00 p.m. would substantially delay traffic or cause a safety or health hazard, the work shall then be permitted only between the hours of 9:00 a.m. and 4:00 p.m.

§29-40 Approval required for road closings and detours.

Road closings and/or traffic detours shall not be permitted unless approved in advance by the Livingston Police Department.

§29-41 Traffic directors.

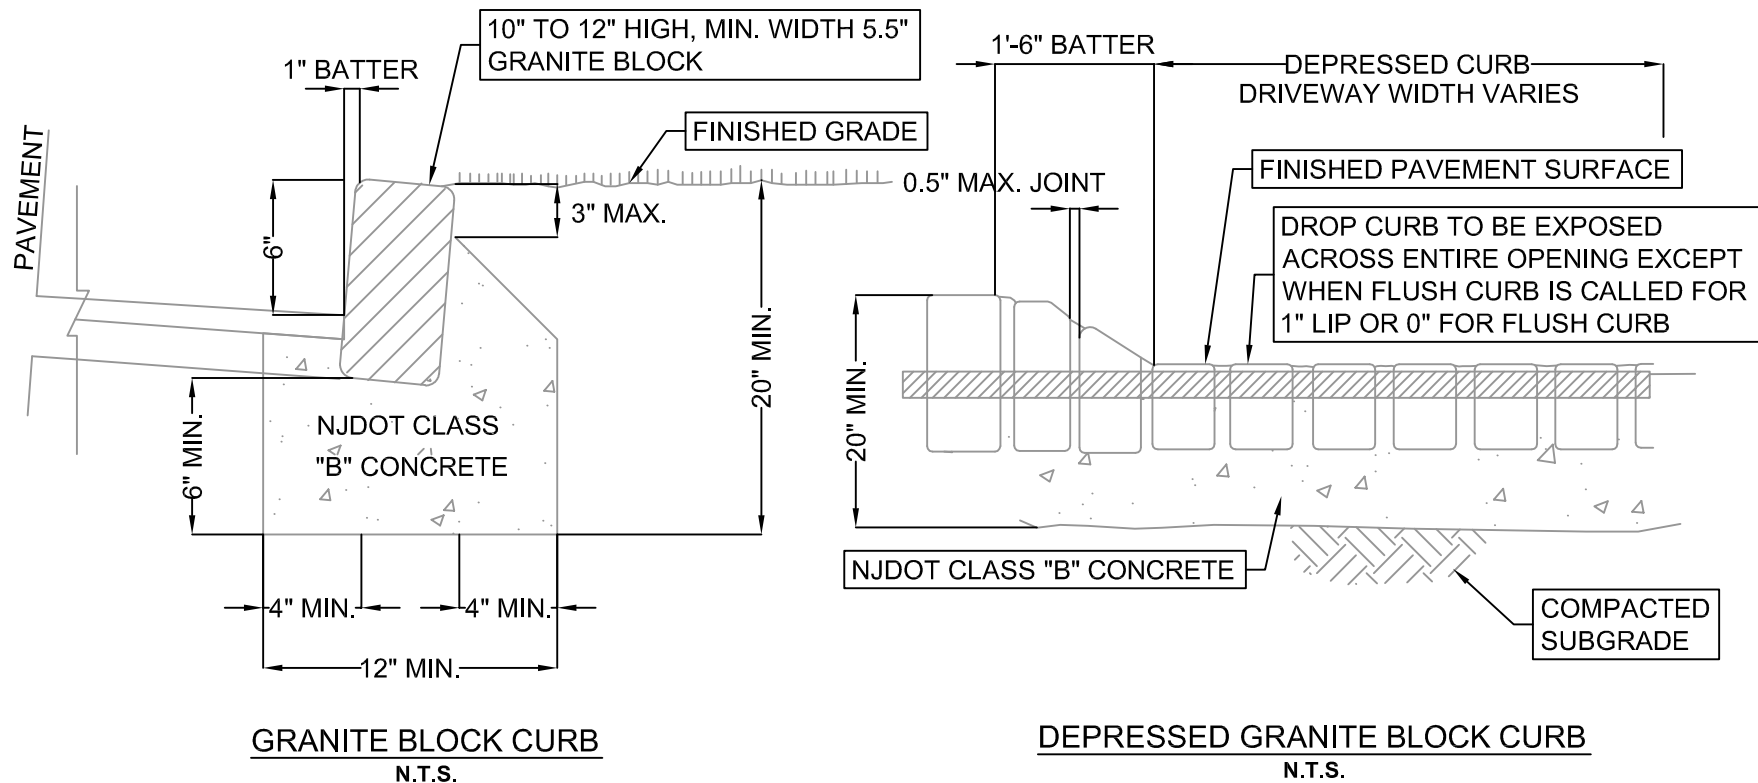

Traffic directors shall be posted at all construction or maintenance sites when determined by the Livingston Police Department that the same are necessary to provide for the safe and expeditious movement of traffic. Traffic directors shall be provided by the Township at the fees listed under fee schedule in §22-26.1B.

§29-42 Stopping of work.

The Livingston Police Department shall have the authority to stop work, including the removal of equipment and vehicles, stored material within the street right-of-way, backfilling of open excavations and/or other related work, in order to abate any nuisance and/or safety hazard or for any violation of this article.

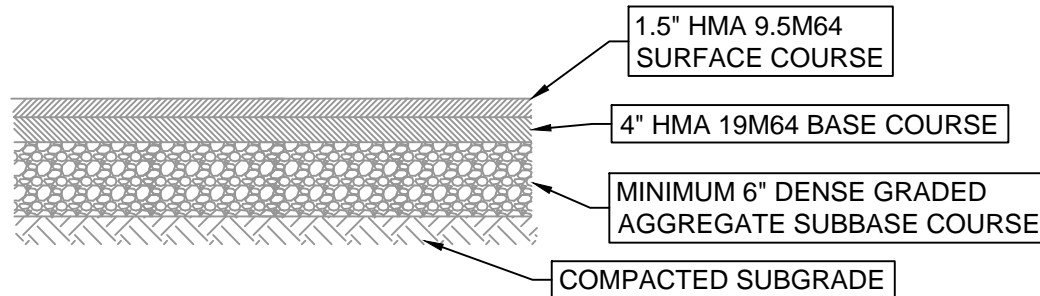

§29-43 Violations and penalties.

- A. Any person, contractor or utility which commits a violation of this article shall, upon conviction thereof, for a first offense pay a fine of not less than \$100 no more than \$500. For a second offense, upon conviction thereof, such person, contractor or utility shall pay a fine of not less than \$250 and/or be imprisoned in the county jail for a term not exceeding 90 days. For a third or subsequent conviction, such person, contractor or utility must pay a fine of not less than \$500 and/or be imprisoned in the county jail for a term not exceeding 90 days.
- B. A separate offense shall be deemed committed on each day during or on which a violation occurs or continues.
